THIS SALE

Will be conducted by a licensed auctioneer, and subject to the laws of the State of Illinois governing public auction sales.

JUST A WORD TO BIDDERS: All offers are thankfully received and no one should be discouraged if he fails to secure something. Lots often bring high prices under competition, but making ridiculously low bids accomplishes nothing. In sale LVI there were forty bidders who secured nothing, though many missed getting lots by only a small margin. It would be well for these unsuccessful bidders to get posted, and the purchase of the priced catalogs is the very best means to this end. If your bid is liberal, you will get your lot at 5 or 10 cents above the next highest bid. Many dollars were saved bidders in this way in the last sale.

Terms of Sale.

1. All bids to be by the lot, irrespective of the number of pieces in a lot. Bids below \$1. must be in multiples of 5c, and above \$1. multiples of 10c. A bid of 67c will be construed as 65c, and a bid of \$1.88 as \$1.80, etc.
2. Regular patrons may have their goods forwarded to them only on the distinct understanding that they will send immediate payment. Auction sales are spot cash and no time allowances or credit can be permitted under any circumstances, the owner of the coins expecting prompt payment. Strangers must send satisfactory references.
3. Bids are numbered and tabulated in their order of receipt. If two or more bids on any certain lot are alike, the one first received gets the lot. If two or more unlimited bids on any certain lot are received, the first one in gets the lot at a slight advance over the highest bid.
4. Payment should be made promptly by cash, money order or draft on New York or Chicago. All personal checks from out of town are subject to 10c exchange, and this amount will be deducted from such remittances. If a receipt is desired, a stamped, addressed envelope should be enclosed.
5. A commission of 5 per cent. of the purchase is charged for executing bids, and mail or express charges are to be paid by the purchaser. Bids may be sent to other parties, who, for the usual commission, will execute them and examine the lots while on exhibition, but in such cases I assume no responsibility.
6. It is understood that I purchase for you as your agent and execute your bids, below the limit price you name, if possible. I understand fully that the amount you name on each lot is the highest price you are willing to pay, and that I am to buy it at as much less as the next highest mail bid or those present at the sale will allow.
7. Copies of this catalog with complete selling prices may be obtained after the sale upon payment of **40 Cents**, money with order.

All coins, etc., guaranteed genuine and original unless otherwise specified.

No duplicates in any lots unless so stated or marked unassorted.

All U. S. coins are Philadelphia mint unless otherwise noted.

Sizes of Medals, etc., given in millimetres.
